

An aerial photograph of the Thurgoona Country Club Resort at sunset. The sun is low on the horizon, casting a warm golden glow over the landscape. A large, calm pond is the central feature, reflecting the sky and the surrounding trees. The golf course is visible with its green fairways and sand traps. The background shows rolling hills and a residential area. The overall mood is peaceful and scenic.

A man and a woman are sitting on a balcony, looking out at a lush green golf course under a blue sky with scattered clouds. The man, on the left, is wearing a dark plaid shirt and holding a glass of dark beer. The woman, on the right, is wearing a black and white patterned jacket and holding a glass of white wine. They are both smiling and appear to be in conversation. The balcony has a metal railing and some potted plants. The background shows a well-maintained golf course with trees and a clubhouse in the distance.

An aerial photograph of a golf course. In the upper left, a calm lake reflects the sky. To the right of the lake is a small island with several trees. The main focus is a large, vibrant green fairway and green area. Two sand traps are visible: one is a small, circular trap, and the other is a larger, more irregularly shaped trap. The grass is a mix of bright green and yellow-green, suggesting different grass types or perhaps the lighting of the photo. A narrow path or cart track runs along the right edge of the green area. The overall scene is peaceful and scenic.
